

Homes valued at \$750,000+ must have protection on windows

NEW INSURANCE REQUIREMENTS

EFFECTIVE JAN. 2009

Florida Legislature passed a law about the types of policies Citizen's Insurance may insure. This law went into effect in January 2009, and affects policies that cover homes with a replacement cost of \$750,000 or more and that are also located in the Wind-Borne Debris Region (WBDR).

Meet these new insurance requirements with affordable Clear Strength™ hurricane panels.
